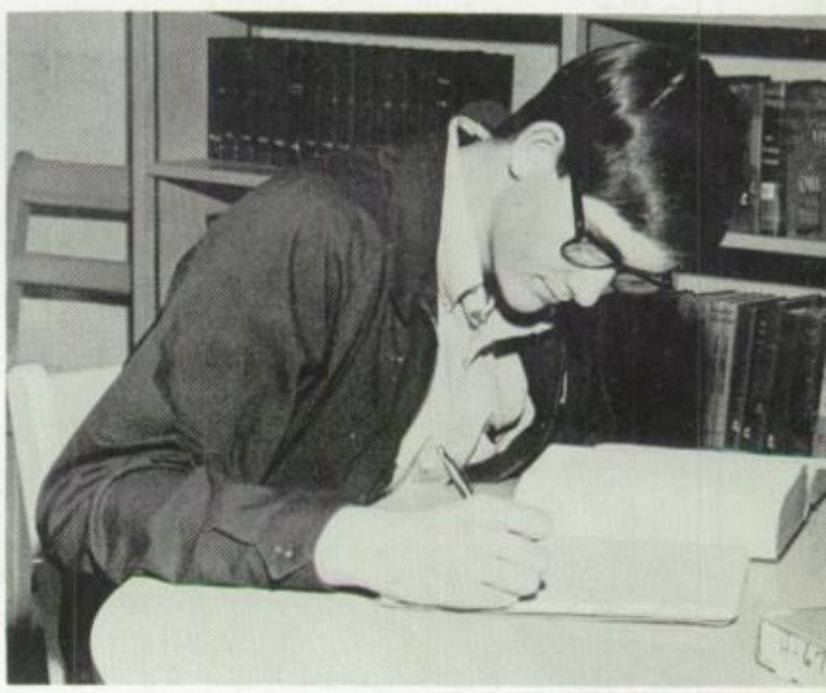
1970 Golden Memories

HENDERSONVILLE
HIGH SCHOOL

THE STUDENTS AT H.H.S. HAVE A COMMITMENT...

A commitment — sometimes spoken — sometimes kept silent. Not always completely understood.

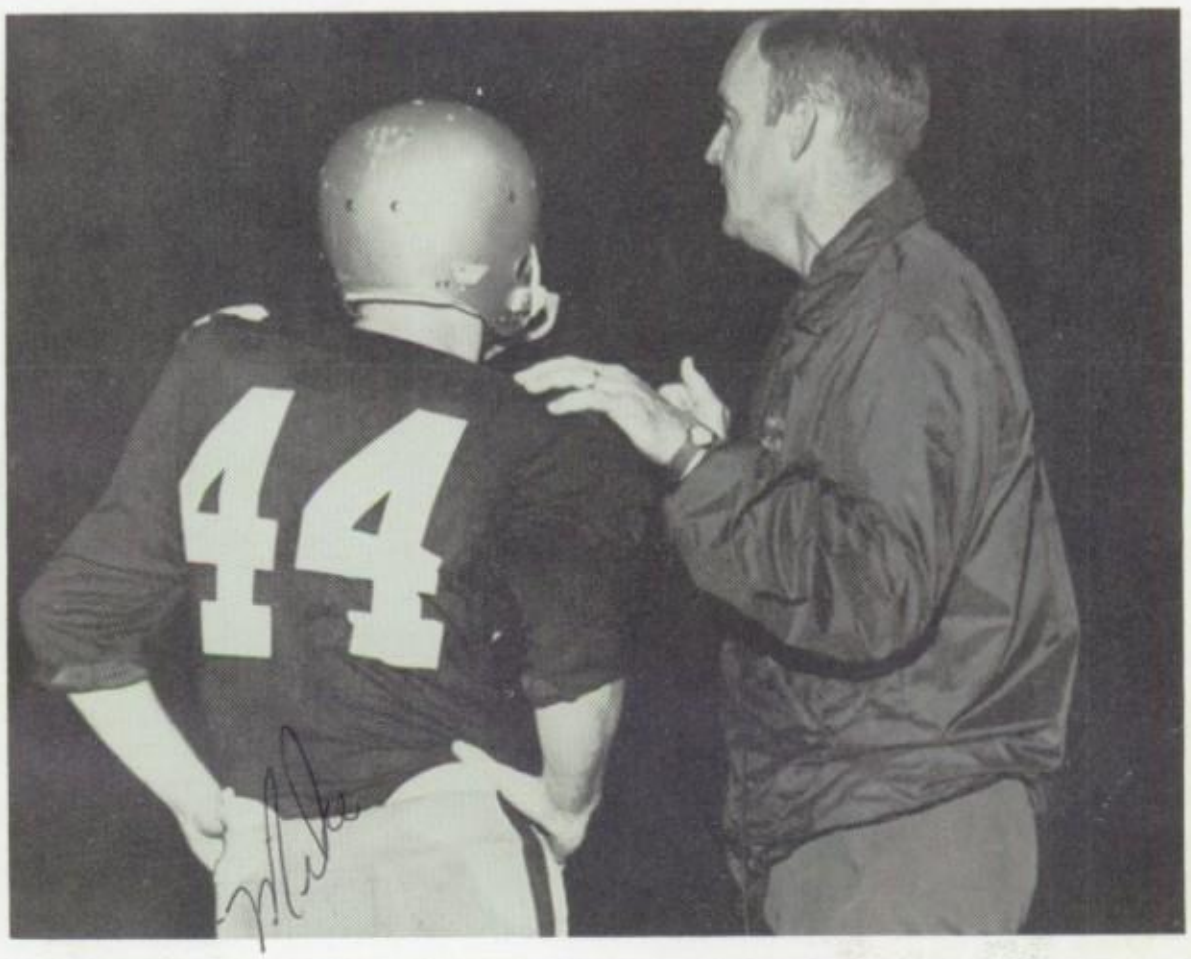


Jimmy,
We haven't
gotten to know
each other too
much but I have heard
a lot of people talk
about you & how nice you
are. You deserve
hardly ever hear a
word bout you
in the future
Good luck
Stay as nice as you
are.
Love
Pam
Leah

Johnny

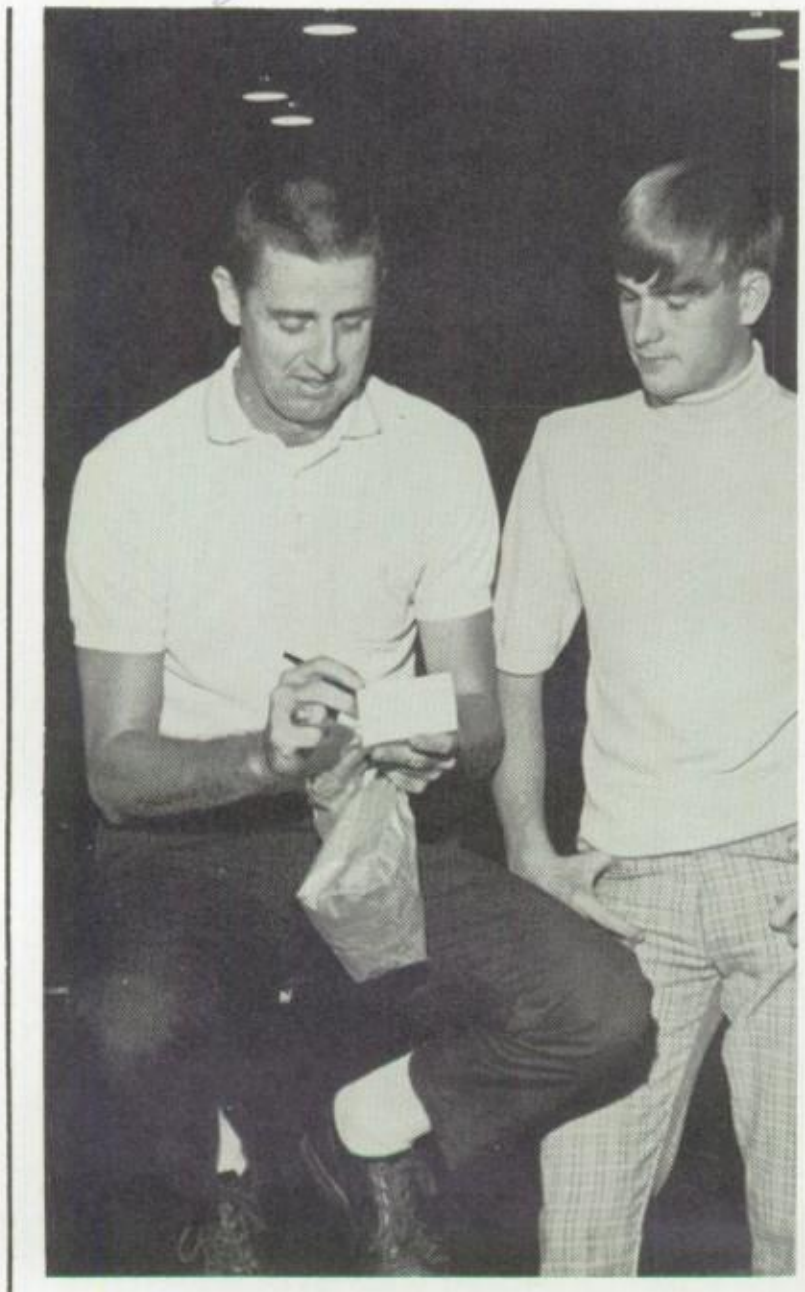
IT IS PARTLY MADE UP OF FAITH

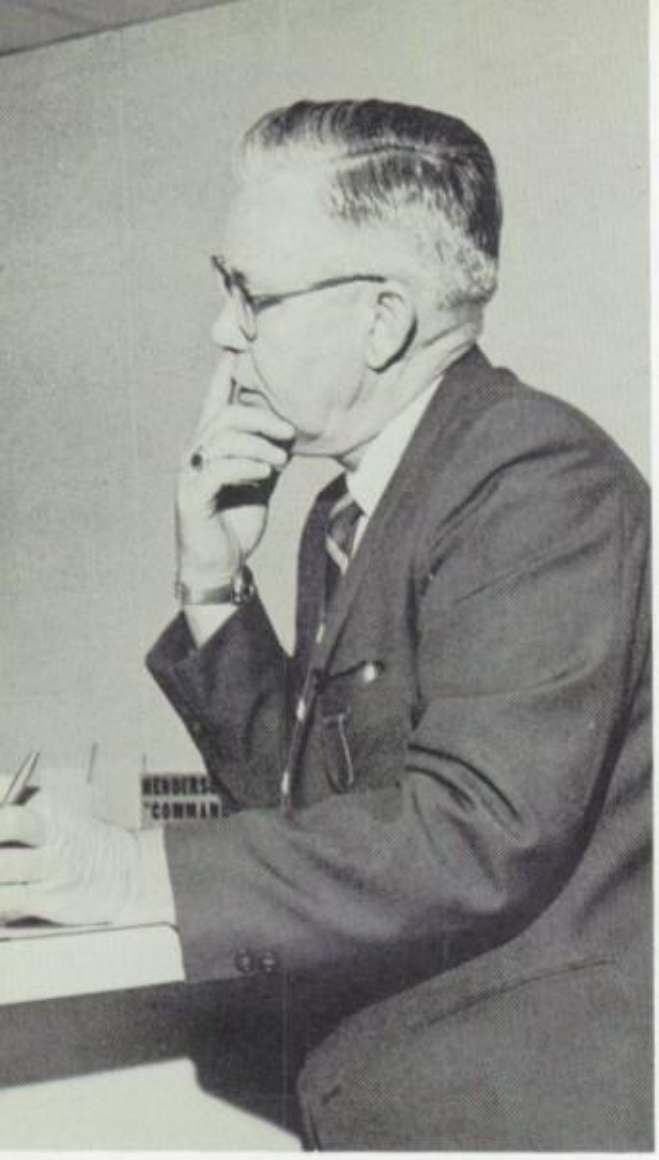
Faith that we are winners, that we are winners
in our minds
That we can be what we set out to be.



Sue. You are a very good Sis! Brother
to a very good Sis! Brother
we've all ways got on fine
and it's a nice gift to be friends
with. Good luck and take
all you can get.

John Chapin





OUR COMMITMENT IS INCREASED BY EXPERIENCE...

By our involvement—by what we gather from others.

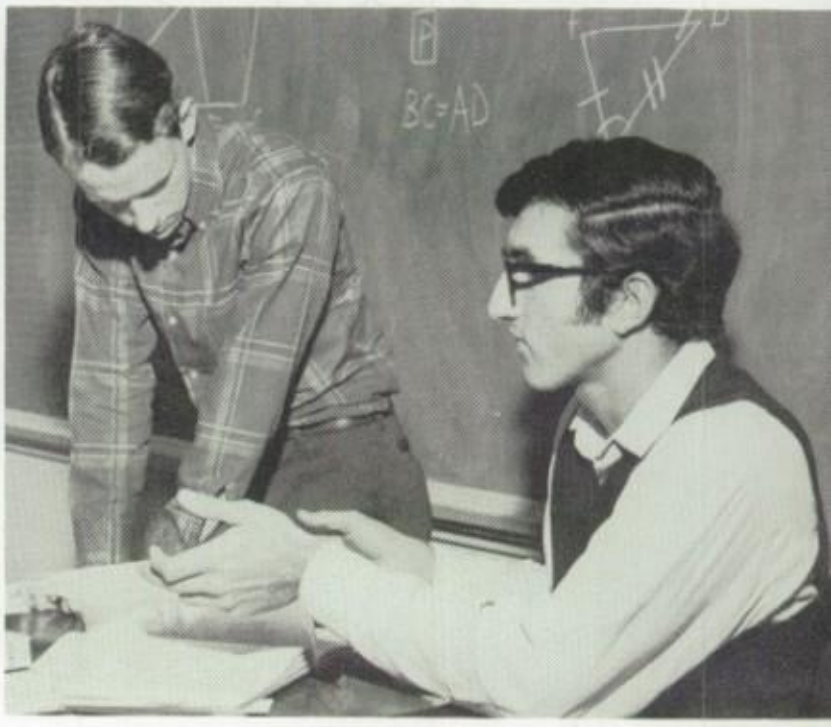
By the gradual process of our education.

Jimmy,
You're a really
nice guy. Please
don't change and
I'll see you soon.
Be good and may God
bless. Love
71

OUR COMMITMENT IS STRENGTHENED BY PEOPLE

People who teach us. People who share our excitement.

People who pass on their knowledge.



Jimmy-
Even though you are
a quiet guy, rarely say
a word I like you anyway.
You're real [illegible]
sorry I don't [illegible] classes
with you except homeroom
good luck next year, always —
Barb

WE THE STUDENTS ARE COMMITTED...

We are committed to make this school and our education the best.

So that we can learn to commit ourselves fully—

To our lives, our world, to our future.

DEDICATION

Robert (Bob) Cummings

It would be hard to estimate the influence that this man has had in our school.

As a coach, Robert Cummings has proved to be highly successful. He has established a quality brand of football never before seen in Hendersonville. His enviable record was brought about only by his hard work and determination coupled with his vast football knowledge.

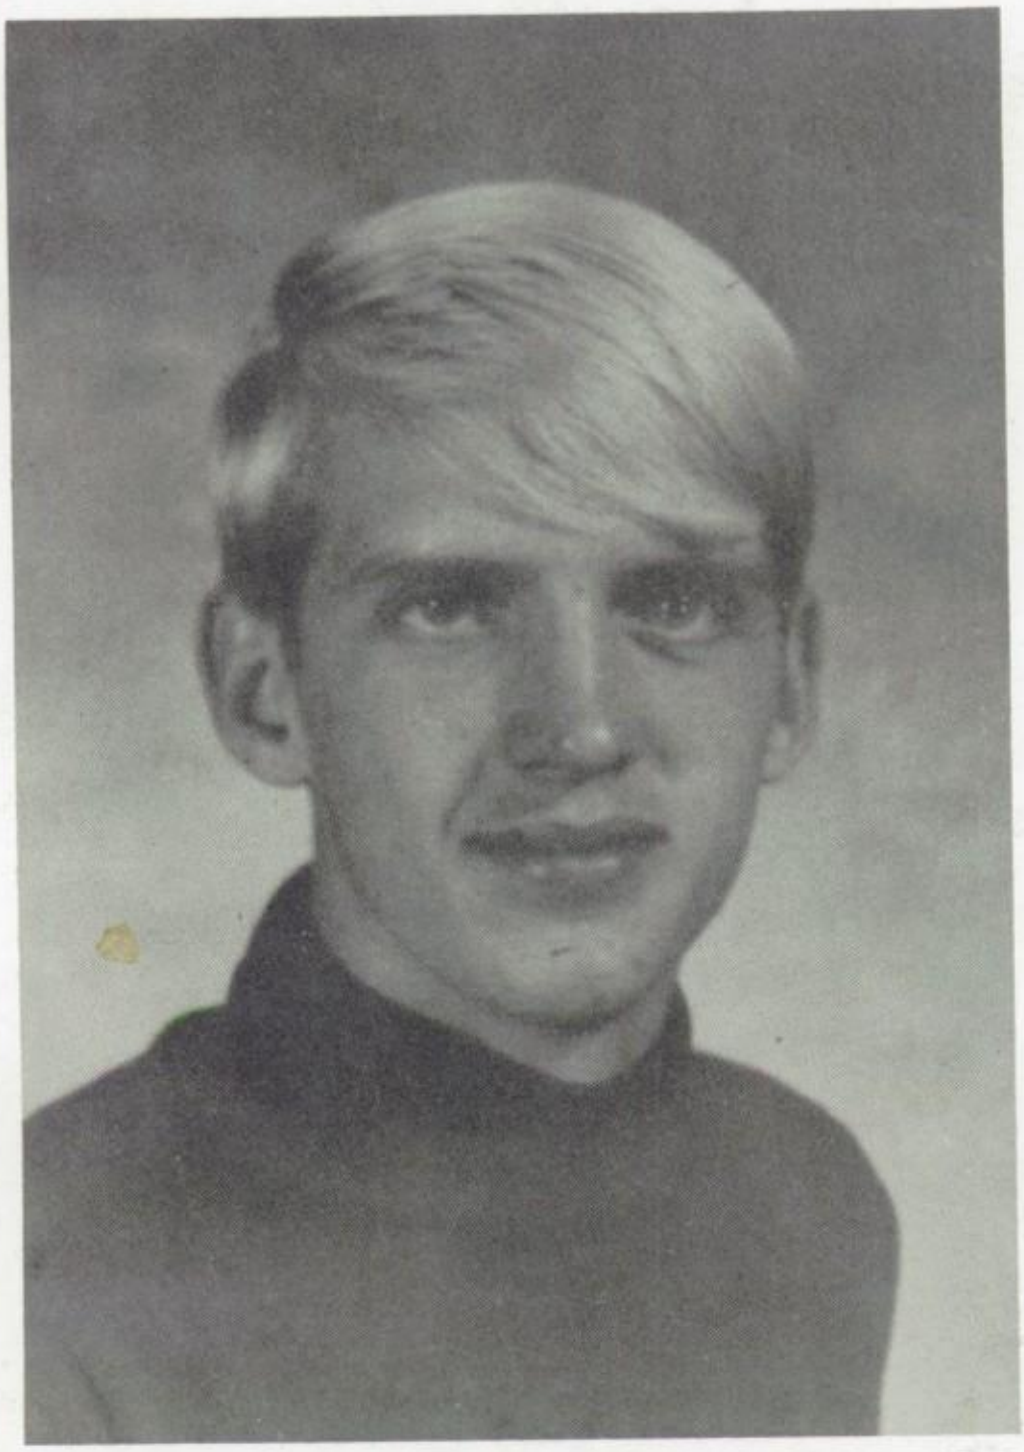
As a teacher, Robert Cummings has shown himself to be vitally interested in his courses. To him, mathematics is an art to be cultivated and enjoyed. Anyone who has been fortunate enough to have been in his classes will tell you that they have profited greatly from his teaching.

However, it is as a man that Robert Cummings has influenced the students and the community the most. He has started a chapter of the Fellowship of Christian Athletes in our school. He has worked many long hours to raise the caliber of athletics in our school. He has shown the kind of Christian leadership in our school that he has ardently tried to develop in his athletes.

Obviously, we believe in Robert Cummings. As a coach, as a teacher, as a man, he has committed himself to excellence.

It is with great pleasure and pride that we dedicate this 1970 Golden Memories to Robert Cummings.

The 1970 Annual Staff
Hendersonville High School



Life is short.
This fact was brought closer to us with the death of this young man.
Daryl Langford was a friend to many of us.
A good friend to many of us.
May we say simply that he shall be missed.

* * *

Seventy years—as most of us will have—
Isn't very long at all.
Yet—if used wisely—
It will be long enough.
Long enough for each of us to find our thing, our place.
Long enough for each of us to learn the song
That we were meant to sing.
May God grant that we use our lives with care.

Jimmy
You're a great guy with
a wonderful personality.
I hope you go far in
life. Good-luck in
everything. May God Bless!
Love Nancy

STUDENT COUNCIL

The Student Council for the year 69-70 has added a few new successful projects. We started the year off sponsoring the Real-Meal School Spirit Contest. Due to good participation from the student body, we finished 3rd in the balloting.

We next undertook Homecoming for 1969. The parade and festivities all went according to plans. The dance held after the football game was one of the most successful ever held at Hendersonville High School. The student council aided in the March of Dimes Drive which also was successful.

In early February, we sponsored "Sadie Hawkins Day," for the second year. Participation was great for the school day and the dance held after the Mt. Juliet game that night.

This year student council officers have worked together with council officers from Gallatin, and White House to form a Sumner County Inter-High Program. Through this program, we hope to improve relations between the schools of Sumner County.

This year the student council will sponsor a drive to help against Cerebral Palsy. We hope this can become an annual event at HHS. The money will be turned in on the CP Telethon held every year on Channel 4.

NATIONAL HONOR SOCIETY

The Hendersonville Chapter of the National Honor Society was installed last year with fourteen charter members. Unlike most other clubs in our school, the National Honor Society is not a service organization. It has no projects, since the students who have been invited to join are already taking part in many other organizations. The National Honor Society is strictly a means of recognizing and honoring students who have excelled in scholarship, leadership, service, and character in their school and community. Students must have an overall average of ninety-three or better and must be considered outstanding in the other three areas, by the teachers who know them, before they receive an invitation to join. They may join when they are juniors or seniors, and must maintain excellence in the four areas to remain on the rolls of the National Honor Society.

Our school has many students who excel academically, and we have many who readily accept responsibility, devoting long hours of work to school activities; but those few students who have worked hard enough to be considered our very best are these in the National Honor Society.

We would like to take this opportunity to thank a lot of people who helped us out this year.

First, naturally, we would like to thank Mrs. Starnes and Mrs. Holder for all their patience and help. I am quite sure that two finer sponsors could not be found anywhere.

Also, we would like to thank each one of the kids who gave their time and effort to this annual. The people pictured on this page did a fantastic job.

Also to the businesses who gave money to help put this book together, we are deeply grateful.

Finally, we thank you. You—the students—who are pictured, written about, fussed over, worried about, and griped at. Thank you for being such a gas to be with.

It is with much pride and a deep honor that we present to you the 1970 Golden Memories.

May the wind
always be at your
back—

FIELD COMMANDER

Marileen McKee

The band had an early start this year with a two-week band camp in the summer. We then made our first appearance at the Hendersonville Jamboree Day celebration. In early October, the band traveled to Kentucky for the Franklin Simpson Marching Festival and received the following honors: second place in the street parade (competing with fifteen bands); first place for the best majorettes; third place for field commander; second place in precision marching half time show. Later in October, we entered the Middle Tennessee Marching Festival further distinguishing ourselves by being one of the few bands to achieve an "A" rating.

After entering the above contests and receiving the many honors, the Band of Gold still had a busy schedule. November, Dawson Springs Stage Band Festival; December, Christmas concert; February, winter concert; April, spring concert and Middle Tennessee Concert Festival at Austin Peay State University; May, Humboldt Strawberry Parade. We had fifty-two entries in the Middle Tennessee solo and ensemble contest held at Peabody College.

The Band of Gold has been fortunate in having a talented senior class, several of which will enter college with scholarships based on that talent. It has been a distinct pleasure to work with this band.

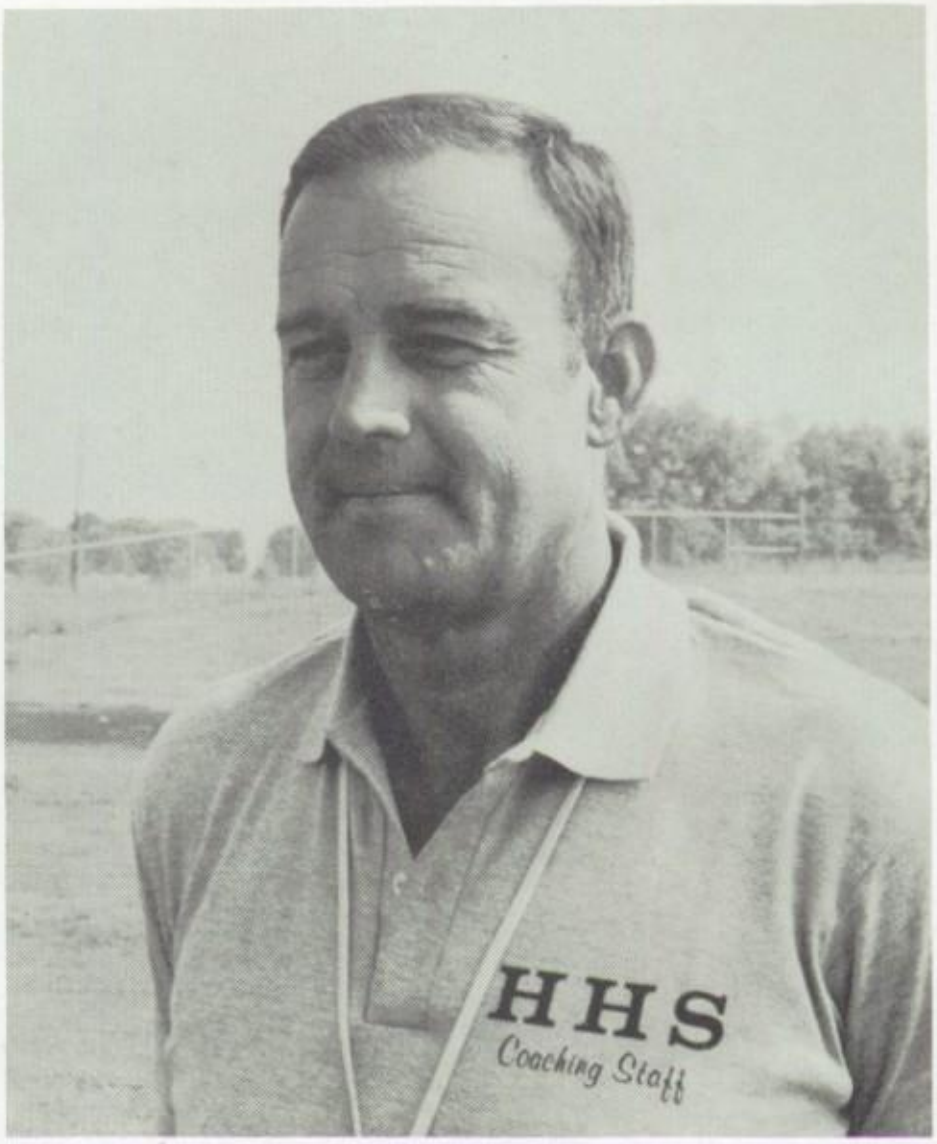
The 1969 Commandos finished in a tie with Stratford for third place in the tough AAA Eastern Division of the Nashville Inter-scholastic League.



BOB CUMMINGS
Head Coach

The overall record was 5 wins and 5 losses. The Commandos are not proud of their win-lost record, but they did play some outstanding football and displayed the fighting spirit that is characteristic of Commando teams.

The Commandos did not give up a touch-down on their home field, holding four of the five home opponents scoreless.

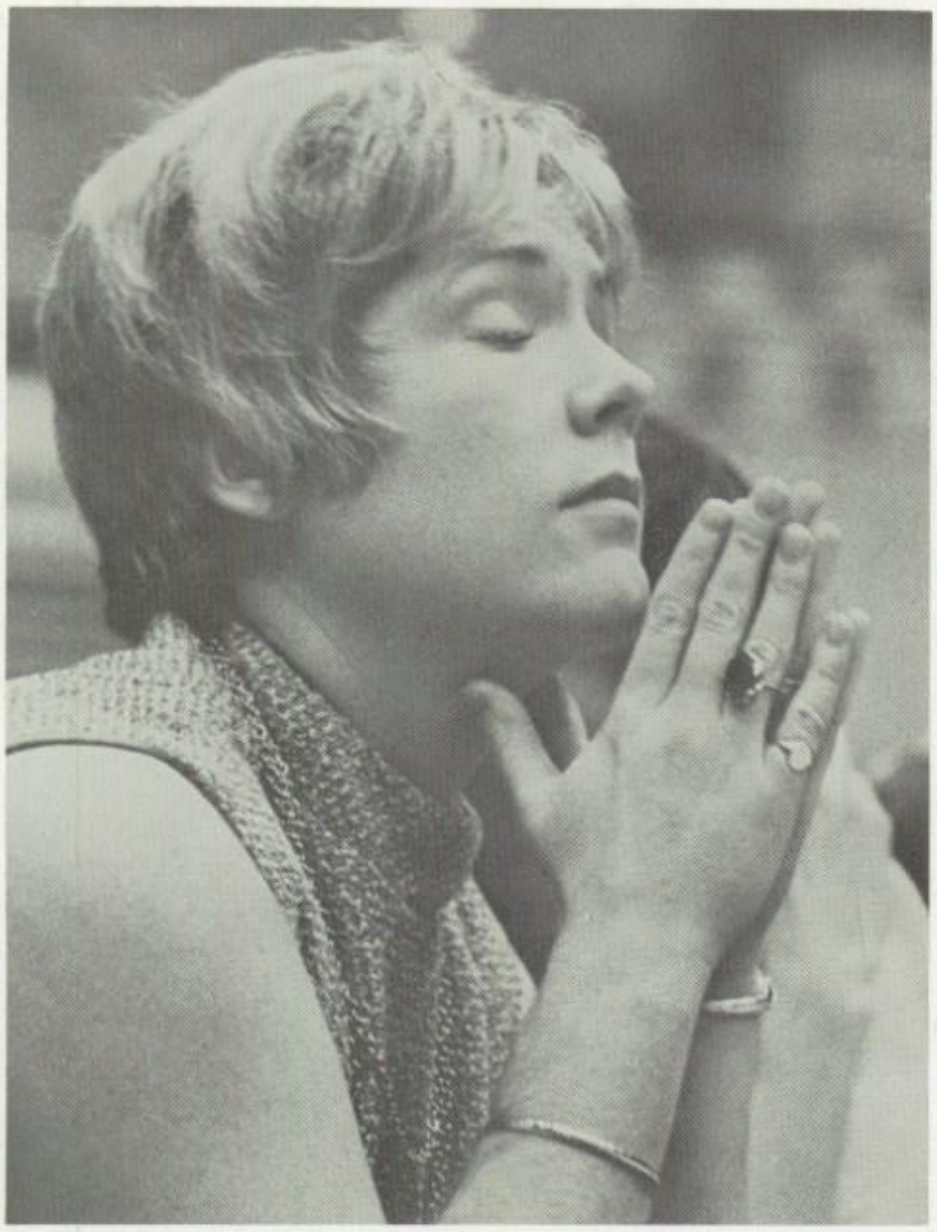
18th District Champs



Winning is a tradition at Hendersonville. Never, in the entire history of the school, have there been two coaches more dedicated to this tradition than are Julie Rollins and Margaret Flatt.

Since becoming head coaches in 1966, they have brought honor, pride and victory to H.H.S. Through their hard work and commitment to winning, our present girls' team has compiled one of the greatest records ever in the history of the school.

Their teams have won 30 games against only 4 losses. Surely, this record speaks for itself. Included in these victories are finishing high in the district tourney each year and winning the 18th District Tourney in 1970; going on to the regional each year and winning the Region IX Tourney in 1970; and winning the N.I.L. championship in 1970.

One distinction, however, places these two coaches atop any ever at H.H.S. That distinction is that they led the girls' varsity team to the State Tournaments in Jackson, Tenn., in both the 1969 and 1970 seasons, and, in the latter, brought back the Third Place State Trophy.

We at H.H.S. hope that these two coaches will continue their efforts here and bring us many more winning teams in the years to come.

ALL BASKETBALL GIRLS
Hendersonville Sr. High School
Hendersonville, Tenn. 37075

Dear BASKETBALL GIRLS:

How can a Coach ever express her love and appreciation for a team that has not only won three championships (NIL, 18th District, Region IX), but is also on the eve of a return trip to the State Tournament and a dream of a fourth championship? This book could not contain all that could be said about them, but one word expresses it all—Character. Since an annual is especially dedicated to the Seniors, it is of these people that I want to speak. It is these girls that I want to thank for three very happy years. It is their character, dedication, unselfishness and heart that has not only made this a great team, but it has made them great girls. It was their courage and faith that led them to dream the "Impossible Dream," to make a comeback by never giving up, and to work hard, giving 100% and sacrificing whatever measure was necessary. To Gracie, Pam, and Cheryl, to Bobbie, Regeina and Faye, may I say from Coach Flatt and myself that we are thankful to have had the privilege to have known you. Each of you means so much to us, and you have given us so much to remember. May God bless you throughout your life.

COACH ROLLINS

P.S.

"Hey, Baby, we won that last one!"

Offensive scoring whiz, Gracie Oliver, was the spark which led the 1969-70 Commandos to the N.I.L. championship and the 18th District championship. Along with these two accomplishments, Gracie accumulated several honors of her own. Among these are included N.I.L. Player of the Year; 18th District All-Nashville; All-Metro; 18th District Optimist Player of the year, and the Most Valuable Player of the 18th District Tournament, All-State Tournament.

Gracie's finest honor came, however, when she joined an elite group of six girls to pass the 2,000-point mark in scoring. She is the first player from H.H.S. to accomplish this tremendous feat.

All year long Gracie received help on the offensive scoring end from Pam Smith, who was the Most Valuable Player in the Region IX tourney, and from Cheryl Carr, who received Honorable Mention on the All-Metro Nashville team.

Heading a fiery defense for H.H.S. this year were Regeina McCoin and Bobbie Blaylock. All year long these girls gave 100% effort to their team.

Both of them were named to the All-Metro Nashville team and to the 18th District All-Tournament team. They were both also named to the All-State Tournament team.

Singularly, Regeina was named to the All-Nashville team and Bobbie to the All-18th District team.

Also helping out on the court was Faye Kemper, who was named to the 18th District All-Tournament team and also received Honorable Mention on the All-Metro Nashville team.

First Row: David Dean, Doug Harris, Dixon Duffett, Eric Bruchas, Nicky Raphael, Jim Patrick, Jerry Clark, Jerry Green, Charles Terrell, David Hayes, Tim Barnett, William Douglas, Mike Gaughn, Jimmy Grizzard, David Demonbreum. **Second Row:** Kevin Abernathy, Steve Goodman, Steve Rush, Walter Greer, James Law, Robert Tally, John Mir, Steve Connally, Kevan Smith, Gregg Downs, Lonnie Harper. **Third Row:** David Blair, Martin Wiley, David Ellis, Mike Rittman, Ralph Sumners, Danny Cutrell, Thomas Etter, Phil Adams.

PEOPLE

We of the 1970 Annual Staff tried to say something
we felt needed to be said.

We stated that whether we realize it or not,
whether we understand it or not, we
— as individuals and as a student body —
have made some sort of commitment to this school.

We then stated that this commitment was deepened and
strengthened

— By experience

— By people who shared our commitment

— By people who taught us.

We finished by stating that it was necessary
For each of us to commit ourselves to
making this school the best.

For it is in this way we can learn to commit ourselves

— To our future

— To our nation

— To the generations to come.

We — as high school students —
are about to enter the system of our society.

May we follow the advice of John Gardener, former
secretary of HEW, who said,

"The purpose is not just to enter the system,
But to change it for the better."
